

Call for application for PhD and Postdoctoral Scholarships in Biomedical Engineering, Rehabilitation and e-Health offered by UR – CEBE.

The The Management of the University of Rwanda through its Regional Centre of Excellence in Biomedical Engineering and eHealth (CEBE) is pleased to invite interested and qualified candidates to pursue PhD studies or post-doctoral fellowship and therefore apply for the scholarships mentioned in the area of Biomedical Engineering, Rehabilitation and eHealth. The aim of the University of Rwanda-CEBE is to develop high skilled professionals who, will lead and conduct research that impact the national and international regions in Biomedical Engineering, Rehabilitation and e-Health.

The candidates should have background in Electrical and Electronics engineering, Mechanical engineering, Computer Sciences (for PhD or Post-doctoral in Biomedical engineering; 4 candidates), Physiotherapy, Prosthetics & Orthotics (for PhD or Post-doctoral in Rehabilitation; 2 candidates), Public Health, Health sciences, Health informatics and Computer engineering and Computers Sciences, Information Technology (for PhD or Post-doctoral in eHealth; 4 candidates). To be qualified for the scholarship, candidates should have obtained an admission at a renown University with strong research and expertise in the above fields. Successful Masters, PhD or **post-doctoral fellows** will be sponsored for research and living allowances, and travel costs at the University where they have admissions.

The complete hard copy of applications should be submitted to the office of the Director of CEBE at UR – Kicukiro Campus (former SPH) and soft copy of the application should be sent to Dr Celestine Twizere, Director of CEBE, (email: celestintwizere@gmail.com) with Cc. to Dr. David Tumusiime Deputy-Director of the Centre of Excellence in Biomedical Engineering and eHealth (email: dktumusiime@gmail.com) not later than 27th July 2018 at 5:00 p.m.

The applicants should submit the following documents:

1. Application letter addressed to the Director of the Centre for Postgraduate Studies, University of Rwanda
2. Motivation letter: should address commitment, statement of goals, objectives and reasons for interest in the PhD or Postdoctoral fellowship.
3. Research proposal that provides a brief summary of the background, research questions, objectives, methodology and the research plan developed on a chosen topic in the area of Biomedical engineering, Rehabilitation and eHealth.
4. Curriculum Vitae
5. Copy of Bachelor's Degree for Masters, Master's degree for PhD's applicants or Copy of PhD degree for post doctoral fellows
6. Copy of National Identity Card or passport
7. Recommendation letters from at least two individuals who are working or professionals in the same field of your application.

For more information: contact **Dr. Celestin Twizere**, Director of CEBE on email: celestintwizere@gmail.com and or **Dr. David Tumusiime**; Deputy Director CEBE, on email: dktumusiime@gmail.com. For more details about this call, please check terms and conditions on the following link

Done in Kigali on 3rd July 2018

Dr. Celestin NTIVUGURUZWA

Acting Director, University of Rwanda Centre for Postgraduate Studies (UR CPGS)
