

COLLEGE OF MEDICINE AND HEALTH SCIENCES (CMHS)

## Department of Prosthetics and Orthotics

### Vision

To be a centre of excellence in the training and development of Prosthetics and Orthotics professionals in Rwanda, in the East African region

### Mission

- To develop and build the capacity of Prosthetics & Orthotics students and professionals through a high quality of teaching
- To equip the future professionals with knowledge and skills that will help them to deliver a quality service to end users in Rwanda, in the region and worldwide.

“I choose not to place ‘DIS’ in my ability”

**Robert M. Hensel**

For us we chose to remove  
“DIS” before their ability through  
rehabilitation.
