

COLLEGE OF MEDICINE AND HEALTH SCIENCES (CMHS)

5 Billion people in the world don't have access to safe, affordable surgical care when needed. Setting up an infrastructure, workforce, building capacity, alongside awareness are all major challenges to global surgery and will be prioritized by InciSioN Rwanda.

Vision

- *Sustainable and accessible Surgical Care in Rwanda*

Mission

- *Promoting surgery Through Research, Education, Innovation and Advocacy.*
- *Empowering the next generation of surgical workforce "The Future of OR".*
